To The Secretary to the Government of Madras,
DEVELOPMENT Department.

Sir,

V

In G.O.No.827 Revenue, dated 6-12-1899 the foot path along Punaju - Jeddu - Karimane was admitted as right of way No.(XI) to a width of 6 feet, open to men and cattle, within the Doddinamane Reserved Forest in Coondapur taluk, South Kanara District. In 1914 the District Board constructed a new village road from Neralkutta to Siddapur and this road passes through the Doddinamane Reserved Forest through the right of way referred to above. However, as the width and the points of entry and exit and the purpose of the road are different from those admitted at settlement, I am notifying a description of the new road

separately under Section 18 of the Madras Forest Act and request that Government may be pleased to extinguish under Section 20 of the Act, the admitted right of way over the foot path as from the date on which my notification is published in the local Gazette.
